

Privacy Policy

Hardware Rebels is committed to protecting the privacy of its customers and those who use and sample our products. This privacy notice applies solely to information collected by the Hardware Rebels website. A notification will be prompted when personally identifiable information is collected through the website, how it is used and with whom it may be shared.

Information Collection, Use, and Sharing

Hardware Rebels collects the following types of personal information: names, e-mail addresses, contact information. We are the sole owners of the information collected on this site. We only have access to collect information voluntarily given to us via email or other direct contact. We will not sell or rent this information to anyone. The information collected will be used to respond to requests, regarding the reason of the original contact. We will not share information with any third party, other than as necessary to fulfill the request.

Anonymous Information Collected on this Website

Anonymous data is collected on server logs to enable general analysis of website activity. It can also be used to provide aggregate statistics about visitors and usage. Individual users remain anonymous. Such data may include pages visited, IP address, and browser type, landing page, whether via search engine results or a direct link, and length of stay. Such data is used for analysis of website effectiveness, and to identify possible areas of improvement.

Links

This website contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of other sites. We encourage users to be aware when they leave our site and to read the privacy statements of any other site that collects personal information.

Cookies

At times, we use third party advertising companies to show ads to internet users. This may include Google ads or other 3rd parties. Our ads use cookies to track the success. When visiting our site from a Google ad, Google Site Stats will use a cookie so that it can report subsequent actions such as sales or signups. It is possible to opt out of the conversion tracking cookie if needed.

Access to and Control Over Information

It is possible to opt out of any future contacts from us at any time. Please contact us via the email address given at the end of this privacy statement, all requests must be submitted via email.

- Review personal data, if applicable.
- Change/correct any personal data we have.
- Request deletion of any personal data we have.
- Express any concern about our use of personal data.

Security

Precautions are in place to protect your information. Only employees who need the information to perform specific duties are granted access to personal information.

If you feel that we are not abiding by this privacy policy, you should contact us at the_rbi_contact@yahoo.com.
